PACKAGE SCOPE

- **Comprehensive report:** Each usage right (licence) provides one participant with a comprehensive report including a Detailed and a Summary Report; report sections can be customised as needed.

- **Flexible use:** Usage rights are assigned to your institution and can be used freely across different units, branches or projects; they may be transferred to another institution with CharacterIX's approval. Fees paid are non-refundable (Agreement Articles 10.7 and 10.8).
- **Multilingual reporting:** Reports can be translated into other languages via the analysis panel at no extra cost.
- **Validity:** As long as an application or transaction takes place in your institution account every year, usage rights are not subject to any time limit or limitation period. If no transaction takes place for an uninterrupted period of 3 years, usage rights expire automatically without prior notice (Agreement Article 10).
- **Note:** Consultancy services are not included in this quotation.
